In application of the term sheet of the Debt service suspension Initiative (DSSI) and its addendum also endorsed by the G20, the Paris Club recognized that the Democratic Republic of Sao Tome and Principe is eligible to benefit from the final extension of the initiative. Therefore, the representatives of the Paris Club Creditor Countries have accepted to provide to the Democratic Republic of Sao Tome and Principe an extension of the time-bound suspension of debt service due from 1st January to 31st December 2021.

The Government of the Democratic Republic of Sao Tome and Principe is committed to devote the resources freed by this initiative to increase spending in order to mitigate the health, economic and social impact of the COVID19-crisis. The Government of the Democratic Republic of Sao Tome and Principe is also committed to seek from all its other bilateral official creditors a debt service treatment that is in line with the agreed term sheet and its addendum.
