

PRESS RELEASE

THE PARIS CLUB RELEASES COMPREHENSIVE DATA ON ITS CLAIMS AS OF 31 DECEMBER 2022

Since 2008, the Paris Club has published annually the amount of its claims on foreign countries.

These claims are held either by the Paris Club creditors directly, or through their appropriate institutions (including export credit or development agencies) on behalf of the member states.

The table published on the Paris Club website presents the total amount of claims as of 31 December 2021 held by Paris Club members on each borrower country, with a split into Official Development Assistance (ODA) claims and non-Official Development Assistance (NODA) claims.

At this date, the total of claims held by the Paris Club, excluding late interest, amounts to USD 324.3 billion of which USD 187.7 billion are ODA claims and USD 136.6 billion are NODA claims.

Some amounts on which Paris Club creditors decided to provide debt relief may still appear in this table for technical reasons, especially delays in the signing of bilateral agreements implementing Paris Club agreements.

Paris Club's claims as of 31 December 2022, excluding late interest (in USD million)

ODA: Official Development Assistance

NODA: Non-Official Development Assistance

Disclaimer:

Although every effort has been made to ensure the accuracy of the information presented above, this table does not constitute a document of record.

In particular, some of the claims have not been reconciled with borrower countries. In addition, the amounts indicated do not include late interest due to Paris Club creditors by borrower countries in partial or full default of payment. The non-publication of the amounts of late interest does not bring into question the existence and validity of these late interest amounts and the fact that they have to be paid. The table also does not include certain older, pre-1945 sovereign debts.

A significant part of the claims held by Paris Club members are denominated in currencies other than the US dollar. The amounts in the table are therefore subject to fluctuations of exchange rates.

This table is provided for informative purpose only. It is updated annually.

The Paris Club shall not be liable for the use and interpretation of the information provided in this table.
