

## PRESS RELEASE

### THE PARIS CLUB WELCOMES THE AGREEMENT TO PROVIDE ETHIOPIA WITH A DEBT STANDSTILL

The Paris Club commends the agreements between the Ethiopian authorities and its official bilateral creditors for a time-bound suspension of debt service due from 1 January 2023 to 31 December 2024.

Complementary to the bilateral agreement between China and Ethiopia, an agreement between the other official bilateral creditors and Ethiopia was coordinated through the official creditor committee (OCC) of Ethiopia under the Common Framework, which is co-chaired by France and China. The terms for this OCC coordinated agreement to suspend debt service due over 2023 and 2024, and which are broadly comparable to those implemented during the Debt Service Suspension Initiative (DSSI), were agreed with Ethiopia's authorities on 23 November 2023.

This debt standstill from Ethiopia's official bilateral creditors will provide time-limited liquidity relief ahead of discussions on a wider debt treatment. Those discussions will gain momentum as soon as the Ethiopian authorities and the IMF have agreed the parameters for an IMF programme. In the context of a wider debt treatment, the efforts made by official bilateral creditors over the debt standstill period will be taken into account under the principles of Comparability of Treatment.

The Paris Club strongly welcomes this important achievement and acknowledges all parties' collaborative efforts.

#### Background notes
